Carbon Financial Partners – Golf Day Support Sponsors

"Carbon is delighted to be supporting the annual Perthshire Chamber of Commerce Golf Day. The business community in and around Perth has been very supportive of Carbon since we launched on 1st June last year and it is time we got more involved with the Chamber. This is a good first step. It should be an excellent day at Crieff with funds being raised for two very worthy causes."

Gordon Wilson, Managing Director of Carbon Financial Partners Ltd.

Next issue we meet our new Platinum Partner the James Hutton Institute and new Silver Partner Black and Lizards..
